Two of the largest sapphire mines in the United States are right here in Montana, the “*Treasure State*”. The Thompson family from Helena own and operate this tourist destination, the Spokane Bar Sapphire Mine and part of the El Dorado Bar Sapphire Mine, both ancient gravel terraces on Hauser Lake. These historical sapphire mines date back to Montana’s rich mining past in the 1880’s when Samuel Hauser, Montana’s second territorial governor, funded the mining venture.

Visit Montana’s finest and most exciting sapphire and gold mines and be a part of history to strike it rich, a Montana adventure! Order sapphire gravel Monster Mines to mine at home or visit the mine to dig for sapphires and gold.

Read the background information at [www.travel.discovery.com](http://www.travel.discovery.com).

Print the sapphire mine flyer at [www.sapphiremine.com](http://www.sapphiremine.com) under “Print Flyers” for a treasure map. Mark your summer calendar for a great adventure, a vacation to dig sapphires! Sapphire gravel packages can be ordered and delivered by calling 1-877-dig gems or on line at [www.sapphiremine.com](http://www.sapphiremine.com)!

Sincerely,

Deb and Russ Thompson and staff at the Spokane Bar Sapphire Mine
